

2010

Cam Koski: Associate Pro

Our new Associate Golf Professional for the upcoming season is Cam Koski. Cam is a Saskatchewan boy from Weyburn and has spent his last 5 years in Medicine Hat. He is a graduate of the Professional Golf Management Program at the Lethbridge Community College and has just recently received his Class "A" Golf Professional designation. Cam spent the last 4 years running the golf shop at the Connaught Golf Club. Cam brings to the club a great work ethic and love of the game. We are very pleased to have him on our staff.

Connor Lunge: Golf Apprentice / Assistant

Our golf apprentice / assistant for the 2010 golf season is Connor Lunge. Connor is a home grown Medicine Hat boy who has been involved in the golf business for almost as long as he has a golf club in his hand. Connor also has spent the past few seasons working in the golf shop at the Connaught Golf Club. Connor will look to pass his 1st Golf Playability Test this spring and earn his Class "B" Golf Professional designation. This fall Connor is planning on enrolling in the Professional Golf Management Program at LCC or in the Business Program at Mount Royal College in Calgary. Either way he will continue to participate in the CPGA golf program and one day achieve his Class "A" Golf Professional designation. We hope Connor will continue working at our golf club as he pursues his future ambitions in the golf industry.
